# PERSONAL CHARACTERISTICS:

- A person with great potential for innovation, founder and owner of the first private club in the former Yugoslavia (1989. – „*R.B.S. - Riki Basketball School*“).
- Creator of innovative work programs and methodologies in the training of players that contribute to effective team play
- The coach with character who fosters a positive environment, capable of **TURN GOOD INTO GREAT**
- Develops young players to maximize their playing potential
- Creates chemistry between youth and experienced players to jointly develop team play and contribute to team success
- Use a positive attitude and clear objectives to establish good communication with and among players, so that the team plays an attractive game in harmony
- FIBA *Expert* and lecturer on different continents, organized by FIBA courses of the World Association of Basketball Coaches (WABC)

The secret to your success is not just the ability to turn good into great. He has won many trophies on several continents (Europe, Africa and Asia), but what makes him special is that he creates a winning mentality in modest teams:

- As a selector and head coach, he turned the Iraqi team (at that time without a single point in the FIBA ranking) into a team that reached the semi-finals of the FIBA Asia Challenge 2016 by defeating the Chinese team (85:79) . Thanks to that result, the Iraqi team qualified for the 2019 World Cup.
- FIBA awarded the Iraqi Basketball Association for the excellent progress in work during the period from 2014 to 2017 and the results achieved in FIBA Asia competitions (as FIBA expert Srđan "Riki" Antic was developing basketball in Iraq in the period from 2013 to 2016)

In more than 42 years of his career as a coach he left his mark in all the environments in which he worked. He was one of those who contributed to the development of the best clubs:

- As coach of the Partizan women's team, he participated in the conquest of the first three Yugoslav champion titles (1983/84, 1984/85 and 1985/86) and two national cups (1985 and 1986) and the Yugoslav cadet championship for first time in club history
- Collaborated with Dusko Vujošević in individual work with the players of the senior men's national team (Vlade Divac, Žarko Paspalj, Predrag Danilović, etc.)
- Collaborated with Prof. Slavko Trninić (1984-85) in individual work with the players of the senior team of Jugoplastika Split (Toni Kukoč, Dino Rađa, Velimir Perasović, etc.)
- The scout and coach for individual work with the players of the Red Star Belgrade senior team contributed to the development of talented players (Vladimir Radmanović, Miloš Vujanić, Jovo Stanojević, Zlatko Bolić, etc.)

Novosadska NIS Vojvodina u prvenstvu 2000/2001 ulazi kao najmlađi član Winston VUBA Lige, sa sastavom koji sačinjavaju igrači iz različitih klubova. Faktor vremena, uigranost i iskustvo Zlatka Bolića, Damira Pokrajca, Borisa Raičevića i Sava Rajkovića učine da ovaj tim dođe do zaslužanog cilja.  
 Treba verovati treneru Antiću i njegovom velikom optimizmu da će sa ekipom ostvariti plasman na tabeli, koji obezbeđuje učešće u jednom od evropskih kupova.

Several times awarded as best coach of the tournament and contributed to the success of the clubs that won trophies for the first time in their history:

- As head coach, he contributed to Al Nasr Dubai win the Sheikh Mohammed Cup, for the first time in the club's history
- Awarded as the Best Coach at the Dubai International Tournament (unofficial Middle East Champions Cup)
- As head coach, he contributed to Ahly Jeddah winning the Prince Faisal Cup, for the first time in the club's history, etc.

As founder, president and head coach of **Basketball IQ Academy**, he contributed to the development of young players to raise their level through individual and collective training:

- Pau Carreño went from being a talented Pro Sant Medir player to a potential Barcelona BC player and member of the starting quintet of the Spanish junior team
- Al Nasr club from Dubai was proclaimed champion of the Emirates for the first time in the club's history, after the participation of selected young players and coaches in the "Learn by doing" program directed by Riki Antic, etc.
